Mr. Weisberg,

I am a student at Seattle University majoring in political science. I have been studying the assassination of John F. kennedy intensely for the last three years. I have collected many books on the subject, including "Rush to Judgment", "Six Seconds in Dallas", and "Accessories After the Fact" to name a few. I have read "Whitewash I", "Whitewash II," and "Whitewash III" but I have not been able to obtain copies of the books.

For the last two years I have been studying the assassination with a friend of mine named Kevin Roberts. It was at my suggestion that he wrote to you asking for a copy of "Whitewash I" (I had written to some authors, but my efforts seemed fruitless as I received few replies).

I am now in the process of writing an extensive thesis on the assassination. Information from your books will constitute a major part of my work and having the books on hand will greatly help.

I would greatly appreciate it if you would send me copies of "Whitewash I", "Whitewash II", and "Whitewash III". Enclosed is a

check for $15.25, which includes $4.95 for each book plus 40¢ for shipping. If this amount does not cover the full cost please let me know and I will pay the balance.

Please send the books to:

Mike Majerus
Bellarmine Hall Box #268
Seattle University

Please send the books as fast as possible.

P.S. - Kevin Roberts also mentioned to me that you have a few copies of a book on Oswald's movements in New Orleans. If possible I would like to know generally what kinds of information it contains so I can tell if it is pertinent to the case I am presenting in my thesis.

Thank You

Mike Majerus
